

SAB 1989

Optional Equipment

Compiled in these pages are a host of Saab Options, all designed to complement, enhance and extend the attributes of 1989 Saabs, as well as earlier models. The wide range of Saab dealer-installed optional equipment has been conveniently arranged in three major sections, with items logically grouped within each section. For easy reference, there is also a Table of Contents at the beginning and an Index at the end. Should more detailed information be required, your local authorized Saab dealer stands ready to assist you.

Comfort and Convenience

Audio	6-9
Interior	10-13
Exterior	13

RADIO/CASSETTE

- Saab-Clarion AM/FM stereo, electronic tuner and cassette
- 20 watts per channel (80 watts total) for clean, rich sound reproduction
- Advanced FM circuit design for clean, clear stereo reception
- 18-station (6 AM, 12 FM) electronic memory
- Store feature for automatic storage of the 6 strongest stations in an area without having to preset them
- Seek and scan up and down tuning
- Tape equalization circuit to accommodate precise playback characteristics of wide-frequency-response metal and chrome tapes
- Three types of noise reduction: Dolby® B, Dolby® C, DNR (Dynamic Noise Reduction)
- Auto reverse
- Locking fast forward and reverse
- APS (Automatic Program System)
- Electronic lock-out system with 4-digit security code
- Anti-theft warning light
- Easily removed with the special tool provided to prevent theft

- Automatic cassette ejection when the power or key is turned off
- Fully compatible with the Saab-Clarion Equalizer or Compact Disc Player

9000, 900

Standard equipment in 1989 9000 and 900 Turbo models. Check with your Saab dealer regarding installation in earlier Saab models.

02 47 007

GRAPHIC EQUALIZER/ SPECTRUM ANALYZER

- Permits custom contouring of sound
- 4 factory-encoded memory presets for jazz, classical, vocal and rock allow instant adjustment of frequency response
- New settings can be easily stored to suit individual listening tastes
- Fully compatible with both Saab-Clarion AM/FM stereo cassette radios (02 47 007 and 02 47 015)

9000, 900

Standard equipment in 1989 9000 and 900 Turbo models. Check with your Saab dealer regarding installation in earlier Saab models.

02 47 023

COMPACT DISC PLAYER

- Provides excellent sound quality through digital technology
- Engineered to eliminate nearly all background noise and withstand the rigors of daily driving
- Music search allows advancement to the next track or return to the previous track
- With the scan feature the first ten seconds of every track will be played
- By pressing the repeat switch, the same selection will be repeated until cancelled
- Special cartridges protect compact discs and allow safe, convenient operation
- Utilizes the same bracket as the equalizer
- Can be easily exchanged with the equalizer or removed to prevent theft by using the special radio removal tool
- Fully compatible with both Saab-Clarion AM/FM stereo cassette radios (02 47 007 and 02 47 015)

9000, 900

Check with your Saab dealer regarding installation in earlier Saab models.
02 47 031 (Includes 5 cartridges)

02 71 254 Removable (without Ball) _____

TRAILER HITCH

- Allows towing loads up to 1000 pounds without trailer brakes, 2000 pounds with trailer brakes

900 81—86
02 30 391 Fixed (without Ball) _____

TRAILER HITCH BALL

- For use with all Saab trailer hitches
- 1 7/8" size

9000, 900 All
02 30 177 _____

TOWING WIRING HARNESS

- Taps into car's lighting system to provide trailer illumination
- Mounts on trailer hitch
- Spring-loaded plastic cover protects connectors

9000 CD 89

02 43 485 _____

9000 5 dr 86—

02 43 147 _____

900 All

02 30 102 _____

TRAILER PLUG

- For installation on the trailer
- Allows quick connection to the Saab wiring harness for operation of the trailer lights

9000, 900 All

02 30 110 _____

LOAD-LEVELING SHOCKS

- Self-adjusting rear shock absorbers and springs automatically compensate for rear loads
- Same as standard equipment in the 9000 CD

9000 5 dr 86—

02 71 171 (Set of 2) _____

AIR SPRINGS

- Allow compensation for varying rear loads by adjusting air pressure
- Mount inside rear suspension springs

900 79—

02 30 565 (Complete Kit) _____

SPRING-ASSISTED SHOCKS

- Designed with a special load compensation coil spring to prevent rear sagging under load
- Recommended if the car is frequently heavily loaded

900 86—

02 02 465 (One) _____

TOWING MIRRORS

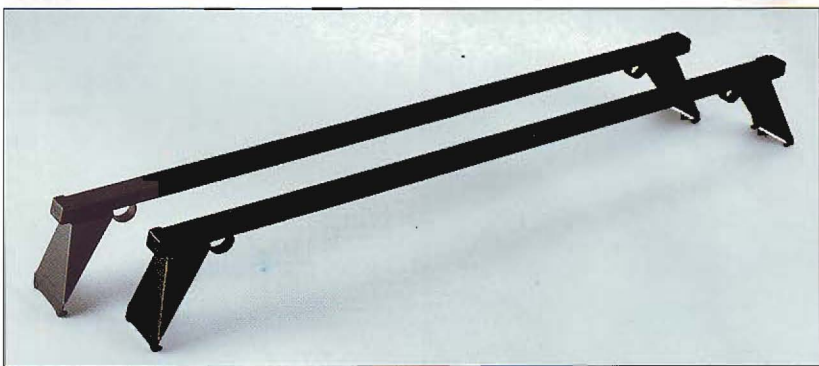

- Allow increased rearview vision when towing
- Install in seconds

9000 All

02 72 211 (Set of 2) _____

900 All

02 72 062 (Set of 2) _____

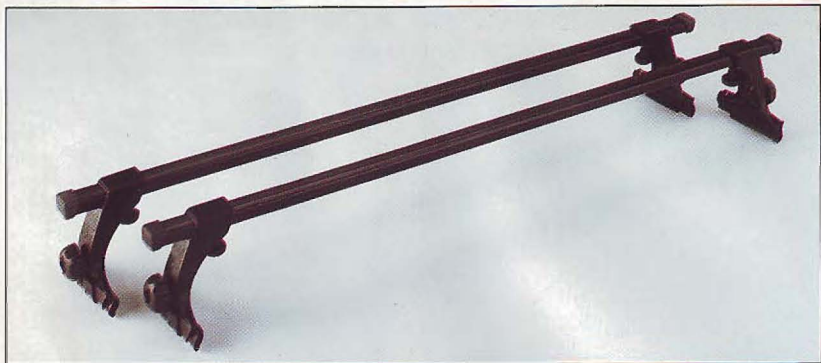

ROOF RACK

- Designed especially for the 9000
- Mounts easily on roof at integrated mounting points
- Accepts a multitude of adapters

9000 All

02 72 195 _____

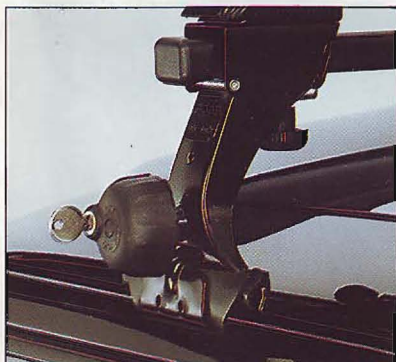

ROOF RACK

- Features "feet" specially contoured for the 900 rain gutters
- Includes black rubber sleeves to prevent marring of paint
- Accepts a variety of adapters

900 All Sedans

02 81 709 _____

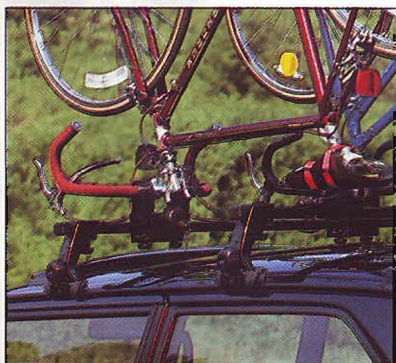

LOCKING KNOBS

- Replace standard knobs to secure roof rack to car
- Includes 4 knobs and extra keys

900 All Sedans

02 81 162 _____

BIKE HOLDER

- Securely grips bicycle by seat and handlebars
- Allows for easy adjustment for bikes of different types and sizes

9000 All, 900 All Sedans

02 81 683 _____

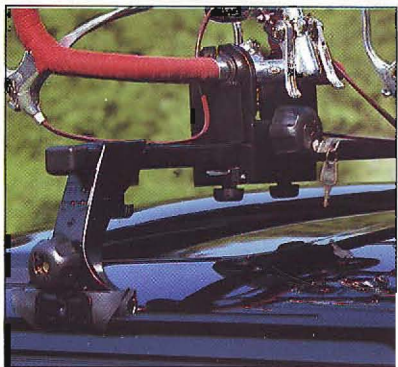

BIKE HOLDER

- Secures bicycle in upright position
- Adjustable to accommodate a variety of types and sizes

9000 All, 900 All Sedans

02 74 126 _____

BIKE HOLDER LOCK

- Locks bicycle to bike holder

9000 All, 900 All Sedans

02 81 196 (For use with Bike Holders

02 81 683 and 02 74 126) _____

BULK LUGGAGE CARRIER

- Attaches easily to roof rack for convenient transport of large, bulky items

9000 All, 900 All Sedans

02 81 204 _____

QUICK-STRAP

- Secures luggage quickly and safely
- Nylon strap is easily adjustable by means of a ratcheting crank

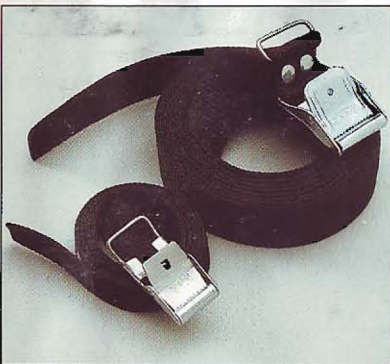

9000 All, 900 All Sedans

02 81 261 (One) _____

**SAFE-STRAP**

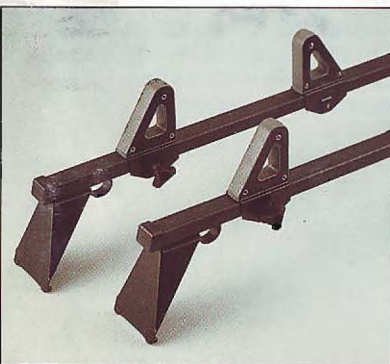

- Maximizes security by means of a tough, rubber coated steel strapping and lockable, ratcheting tensioner

900 All Sedans
02 72 302

**STRAPS**

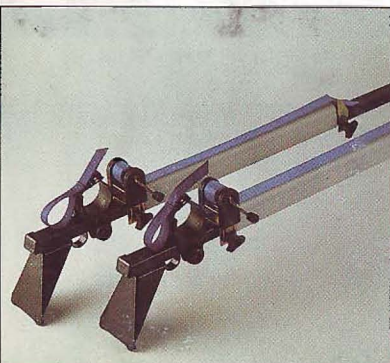

- For general utility purposes
- Self-tightening buckles add to convenience and security

02 81 212 (Set of 2)

**LOAD STOPS**

- Help contain narrow loads and prevent shifting

9000 All, 900 All Sedans
02 81 246 (Set of 4)

**WINDSURFER HOLDER**

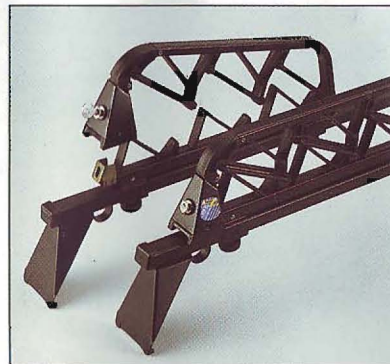

- Secures board and mast for easy transport

9000 All, 900 All Sedans
02 81 477

**SKI HOLDER**

- Accepts up to 6 pairs of skis
- Skis are secured horizontally with built-in locks

9000 All, 900 All Sedans
02 72 294

**SKI HOLDER**

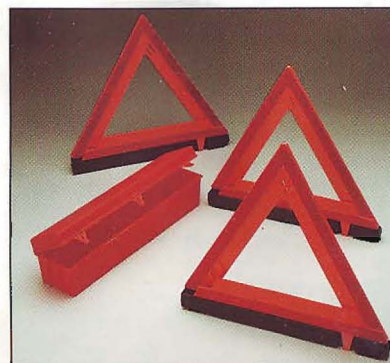

- Accommodates 3 pairs of skis
- Skis are secured with built-in locks in an upright, inclined position to allow clearance for the bindings

9000 All, 900 All Sedans
02 81 303

**SKI HOLDER**

- Non-lockable transport for 2 pairs of skis
- Rubber straps hold the skis in a vertical position

9000 All, 900 All Sedans
02 81 311

**WARNING TRIANGLE**

- Signals oncoming cars that yours is disabled
- Reflective material
- Collapsible
- Storage case included

02 11 565 (Set of 3)

TOW LINE

- Comforting to know it's there when you need it
- Not for on-road use

02 73 946 _____

FIRST AID KIT

- Contains scissors, bandages, topical ointments and other first aid items
- Approved by the American Red Cross

02 79 117 _____

FIRE EXTINGUISHER

- Uses smothering Halon gas that leaves no residue and will not damage electrical components
- Mounting bracket included

9000 All, 900 All

02 02 515 _____

SNOW TIRES

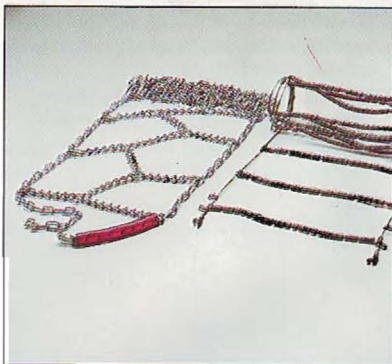

- Gislaved Frost 185/65 HR15
- Pre-mounted and balanced on 5 1/2" Saab steel rims
- Aggressive tread combined with high speed characteristics
- Steel-belted radial design for longer wear and fuel economy
- Can be fitted with studs for extra traction on ice

9000 86—, 900 88—

02 70 843 (One) _____

900 79—87

02 70 850 (One) _____

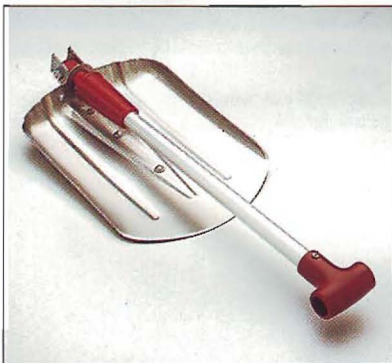

TIRE CHAINS

- Chain link construction (left)
- Flexible steel cable (right)
- Increase traction in snow and ice
- Both meet legal requirements in snow emergency areas

9000 5 sp Only, 900 All

02 72 104 Link (Set of 2)

02 04 438 Cable (Set of 2)

SNOW SHOVEL

- Collapses for convenient storage in trunk

02 02 499

ENGINE BLOCK HEATER

- Keeps engine warm overnight for quick starts and faster interior heat
- Easily installs in engine block
- Uses 110v household current

9000 86—, 900 85—

02 72 138

WINDSHIELD WASHER FLUID HEATER

- Warms the windshield washer fluid as it passes to the washer jets
- Reduces tendency of fluid to freeze on the windshield
- Assists in desolving road grime on windshield

9000 86—, 900 All*

02 04 008

* Except Turbos.

ALARM SYSTEM

- Saab-Guard sounds on unauthorized entry to hood, doors or trunk
- Automatically sets after the ignition is turned off and the last door is closed
- Complete kit designed for easy installation in factory-wired cars

900 85—
02 70 496

REMOTE DISARM

- Allows deactivation of alarm from outside the car
- Especially convenient when loading packages

900 85—
02 11 201

PAGER

- Warns of intrusion up to one mile away

900 85—
02 11 219

LOCKING GAS CAP

- Prevents tampering with fuel

9000 86—, 900 81—
02 41 513 Threaded

900 79-80
02 41 505 Bayonette

LOCKING WHEEL BOLTS

- Protect your wheels from theft
- Polished aluminum construction
- Set includes 4 locking bolts, protective caps and 2 pin sockets for removal

9000 86—, 900 88—
02 72 260

LOCKING LUG NUTS

- Protect against wheel theft
- Set includes 4 locking lug nuts and special removal key

900 82—87
02 05 492 Black
02 05 435 Chrome

Sport, Performance and Appearance

Interior	34—36

ENGINE TUNING KITS

- Maximize the turbo engine's performance
- Includes replacement APC control unit which yields 170 bhp
- Installation of these kits requires the use of Premium Unleaded Fuel at all times
- These kits are not recommended for use on vehicles used to tow trailers

9000 Turbo 86—

02 43 113 (For optimum performance use with Sport Exhaust System*)

900 Turbo 86—(5 Sp Only)

02 43 105 (For Optimum performance use with Sport Exhaust System*)

*Recommendation, not a legal requirement.

SPORT EXHAUST SYSTEMS

- Look and sound sporty
- Include a muffler with reduced back-pressure

9000 5 dr Turbo 89

02 43 543 (Complete kit)

9000 5 dr Turbo 86—88

02 74 639 (Complete kit)

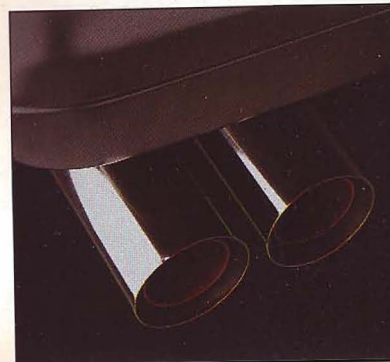

900 Turbo 87—

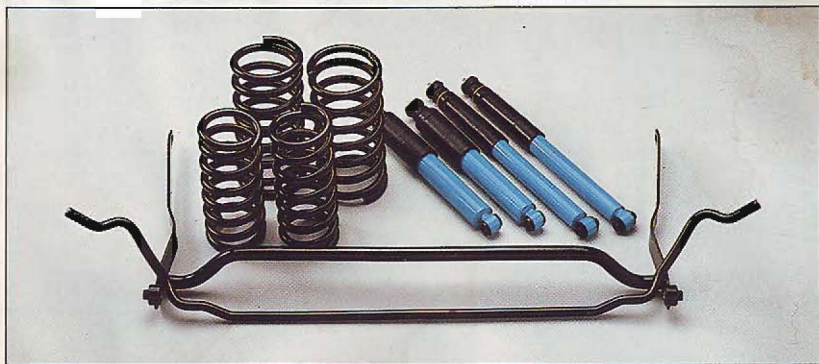

02 74 597 (Complete kit)

900 Turbo 84—86

00 27 094 (Complete kit)

* Note: State of Florida noise restriction prohibits use of Sport Exhaust System for on-road use in that state only.

CHASSIS TUNING KITS

- Recalibrated shock absorbers and springs provide sportier handling
- Lowers the ride height of the car by 24mm (0.95 in) up front and 10mm (0.39 in) in the rear
- Results in a reduced center of gravity for improved roadholding
- Reduces aerodynamic drag and offers a sportier appearance
- Same as standard equipment on 1989 900 Turbo SPG

900 M79—

02 74 589 Springs and Shocks Kit _____

- Front and rear stabilizer bars for improved body roll resistance and lateral stability
- Same as standard equipment on all 1989 900 models

900 79—

00 26 542 Stabilizer Bar Kit _____

To further improve roadholding performance, 6" light-alloy wheels and 205/55 VR15 tires are recommended.

Optional equipment and replacement parts that aren't genuine Saab may fit your car, but that doesn't mean they will fit the total design concept for total performance.

Saab dealer-installed options are engineered to enhance the original design of the car and, like Saab replacement parts, are tested and approved according to the same standards as original equipment. Saab optional equipment and replacement parts, together with service by specially trained Saab technicians, will keep your Saab running smoothly and provide you with many miles of driving pleasure.

Some of the photographs in this brochure are also common to editions published for other markets. Consequently, certain details shown on the cars in this brochure may differ from those currently included in our U.S. market sales program.

Finally, the manufacturer reserves the right to make changes at any time, without giving prior notice, in prices, colors, materials, equipment, specifications, models and availability.
